Title

AS 16.42.118(a)(3) authorizes the Division of Animal Resources to determine what information is required to process applications for the collection, transport, or handling of wildlife materials. All information submitted becomes part of the state record pursuant to AS 40.25.110-112 and is subject to public inspection unless exempt under AS 40.25.120(a)(6) or other applicable confidentiality provisions. Any person who believes information contained herein is inaccurate may submit a written correction request under AS 44.62.210, including a description of the alleged error, supporting documentation, and a return contact address. Knowingly providing false or misleading information on this application may constitute a violation of AS 11.56.210.
