

# GRAVEL BARS & BEACHES

## GRAVEL QUALITY

### GRAVEL QUALITY KEY:

**E = EXCELLENT**

Well rounded, clean, well sorted; ideal for nests.

**G = GOOD**

Well rounded, moderately sorted; suitable for nests.

**F = FAIR**

Mixed sizes, some fines; nests present but less optimal.

**P = POOR**

Poorly sorted, many fines or silt; limited nesting suitability.

**R = ROCK, COBBLE**

Large rock, cobble or pebbles; little to no nesting.

### NOTES:
